

# Can't Afford New Equipment?

# REFURBISH!

Let Sansom Equipment Company REFURBISH your equipment to almost "NEW" quality at a fraction of the cost of a new piece of equipment.

Sansom Equipment also keeps used and refurbished equipment in stock for sale and rental.

The 2000 Pelican (pictured right) sold to a city for a little less than \$50,000.00. The Vactor (pictured below) was completely refurbished for approximately \$60,000.00.
